Zoning Petition

The undersigned registered voters of Cambridge, hereby petitions the Cambridge City Council as follows:

To see if the City Council will vote to amend section 2.000 of the Zoning ordinance by editing the definition of “Family” to remove restrictions on unrelated family members, as shown:

Family. One or more persons occupying a dwelling unit and living as a single nonprofit housekeeping unit; provided that a group of four or more persons who are not within the second degree of kinship shall not be deemed to constitute a family.

Notwithstanding the definition in the preceding paragraph, a family shall be deemed to include four or more persons not within the second degree of kinship occupying a dwelling unit and living as a single, nonprofit housekeeping unit, if said occupants are handicapped persons as defined in Title VIII of the Civil Rights Act of 1968, as amended by the “Fair Housing Amendments Act of 1988.” Such unrelated individuals shall have the right to occupy a dwelling unit in the same manner and to the same extent as any family in the first paragraph of this definition.
