Calendar Item # 4  
Amended Order  
**IN CITY COUNCIL**  
~~October 17, 2016~~  
October 31, 2016

MAYOR SIMMONS

WHEREAS: A number of residents have reached out to the City to express their deep concerns about the impact of establishments utilizing wood-burning ovens on their health and the health of their children; and

WHEREAS: Many of these same residents report having taken their concerns directly to the establishments in question, and to different City departments, multiple times dating back to 2015, yet the steps taken by both the establishments and by the City have been piecemeal and insufficient, and it is clear that a more aggressive and comprehensive response from the City is necessary; now therefore be it

ORDERED: That the City Manager be and hereby is requested to consult with the Director of the Public Health Department and other relevant City Departments to determine what short term and long term measures can be taken to protect the health of residents whose air quality is being negatively impacted by establishments utilizing wood-burning stoves and to report back to the City Council in a timely manner.

In City Council October 31, 2016.

Adopted as amended by the affirmative vote of six members.
